

NOTICE TO COMPETITORS #1

April 12, 2019

RE: 2019 PHRF BC Certification Update

Please note that we have been advised that recently purchased and/or amended PHRF BC Certificates may not be published prior to our documentation submission deadline.

BC Sailing and the PHRF BC handicappers have communicated with us, and are able to retrieve unpublished measurement data directly from the database.

As such, the Southern Straits Race Committee should be able to acquire proper ratings for each boat that has registered for a 2019 PHRF BC certificate.

Southern Straits Boats that have not renewed their PHRF BC certification are instructed to contact BC Sailing and state their intent to renew so that the Southern Straits Race Office promptly receives ratings.
