

Zipper - Long Course		57878
		No Previous Results

Zipper is participating in the 2018 Pacific Cup this summer, doublehanded, and doing the Southern Straits long course as a qualifier. It is the boat's first time doing this race. Zipper was sailed in Southern California, under several different owners, since 1977 and then brought up to Seattle in 2014 to join the local PNW SC27 fleet. Alexia Fischer and Christa Bassett Ross have been sailing in the PNW on a number of different boats for several years. We both have done several Offshore races including Vic Maui, Van Isle, Pac Cup, and Transpac.
